2024 8th International Conference on Food and Agricultural Engineering
December 6-8, 2024   Hong Kong

▼ Introduction

Welcome to 2024 8th International Conference on Food and Agricultural Engineering. ICFAE 2024 will be held during December 6-8, 2024, Hong Kong, China. The conference is sponsored by The University of Hong Kong, China.

The theme of ICFAE 2024 is a bridge across disciplines, practices, places and understandings. The most interesting things happen at edges and boundaries, and the aim of the conference is to demonstrate and examine different approaches in innovative power and energy technology solutions.

The conference will bring together leading researchers, engineers and scientists in the domain of interest from around the world.

▼ Publication

The accepted papers will be published into international conference proceedings, which will be sent to **Scopus,** CPCI (Web of Science), Google Scholar, etc. for indexing.

▼ Important Dates

Submission deadline
October 25, 2024

Notification of Acceptance
November 10, 2024

Registration deadline
November 15, 2024

Conference Dates
December 6-8, 2024

▼ CALL FOR PAPERS

Topics includes but not limited to:

Agricultural Biotechnology
Animal biotechnology
Beverage and Fermentation Technology
Biomedical Computational drug discovery
Biomimetic and self-assembled materials
Composition of foods
Crop breeding, genetics & genomics
Environmental Biotechnology
Food and Nutritional Science
Food biotechnology
Food Sensory and Flavours
Food safety and hygiene
Industrial Biotechnology
Marine Biotechnology
Microorganism technology
Nutrition and health of the public
Nutritional status of various ages
Physiology and endocrinology
Plant biotechnology
Sustainable Agriculture
